Any donation is appreciated.

Come join pet lovers and others that care for the future of this important organization for a day of fun entertainment, educational booths, concessions, demonstrations and a live auction!

Southern Winds Equine Rescue and Recovery Center was formally established in April of 2002. The Center provides care for abused and abandoned equines. This not for profit organization works with law enforcement agencies to aid in the recovery of horses that may be at risk in their present environment.

The Center depends on contributions to help with veterinarian and food costs.

All contributions to the organization are tax deductible.
