Dear Friends and Family,

On Saturday, May 10, 2008, I will be participating in The Equesse Ride of Your Life and joining horsepeople all across America using horsepower to fight cancer. Through this event, I am turning my passion for horses into a lifesaving endeavor by raising money to support my horse-related activity for The American Cancer Society.

At some point, we're all touched by this disease. With your support we can make a difference and continue to fund much-needed cancer research and provide programs and services to those affected by cancer.

Please support the fight against cancer by:

- **Making a donation** - [click here](#) to visit my personal page and make a secure, tax-deductible donation online. Or, if you want to send a check by mail, please make the check payable to the ACS/TeamACS and mail it to the address at the bottom of this email.

- **Forwarding this email** - please send this email to your friends and family on my behalf and ask them to visit my participant center to support my efforts.
- **Joining The Equesse Ride of Your Life** - [click here](#) to join The Equesse Ride of Your Life with Team ACS.

Every bit helps, so thank you in advance for any support you can provide!

Sincerely,

templeton thompson
