

**Headline Clinician: Mr. Michael Richardson -
Broken R Ranch**

Mr. Richardson brings his unique perspective on horse training to Midway Expo Center in January where he will focus on how the horse affects the lives of the humans involved with them. Michael has a deep compassion for building confidence and effective communication skills between horses and humans. His approach and techniques easily transfer into our lives as humans, and build similar skills in our individual lives. Michaels mission is to "Create Successful, Harmonious Horse and Rider Partnerships that Fulfill the Rider's Individual Competition or Recreation Goals".

Come and experience what Michael has to offer!

Contact our Office at 800-313-3327 for information on riding with Michael.
