CALL RAYE AT (785) 527-2052 WITH QUESTIONS

We are inviting all 4-Hers and their parents to donate some of their past photos to an On-Going Auction to be held at two different trail rides benefiting the American Cancer Society. Photos should be of agriculture nature, horses are encouraged, but any scenery is welcome. This is an opportunity to give back to the community while thinning out that large stack of photos that has accumulated over the years of participating in competitions.

Beginning today photos can be taken to your local extension office with a copy of this flier, or you may send them in yourself. There is no limit on how old the work can be. Be sure that you sign your work. Photos should be mounted as if for fair. On the back feel free to put your name and address if you would like, but this is not mandatory.

If you are interested in joining us for the ride give Ray a call.
