

We really need your help. Last night, 9/30/06, a friend of mine's black stallion was stolen out of her pasture in Canton, GA. He is a 17.3 HH Selle Francais stallion. He is 19 years old and 1500lbs. He has no distinguishing marks as he is pure black. However, his muzzle and under his flanks may appear brown due to sun bleaching. He also shivers with his hind legs when you try to pick them up. Attached are two pictures of him. Please pass this information on to as many friends as you can as we are desperate to have him home again.

Anyone who has information about this horse, please notify the Cherokee County Police Department in Canton GA @ 770-844-6777, and ask for Deputy McNeal and refer to the case # 06-92843.

We really appreciate your help and support.

Sunny Stevens and Jeannine Courser
